As recommended by the Comptroller the pension may be continued in the name of Eswaramma Nagatti. ^{if he approved} The only question would then be whether the pension should be continued in full or reduced & if it is to be reduced by how much. The Comptroller suggests reducing this by half should Govt. consider a reduction necessary.

17 The policy of Government re-continuing in full or reducing such pensions on the death of the holders has not been uniform vide stt attracted of enhancements & ~~in excess~~ decrease in pension.
